

EL DORADO HIGH SCHOOL PARKING RULES AND REGULATIONS

Please check each
box to
acknowledge rules

- Attach parking permit to the rear view mirror or place on dashboard so it is clearly visible and displayed at all times from the outside of the vehicle.
- A campus parking permit **does not guarantee** a parking space on school grounds. Students must park in designated parking stalls. A campus parking permit, issued to **Seniors and Juniors**, allows a student to park on school grounds only.
- No end cap parking, parking in visitors parking or areas designated as restricted parking.
- The campus permit does not allow a student to park on public streets marked "No Parking Anytime".
- A parking pass is non-transferable to other students. Students may not trade, loan or sell a permit issued to the registered user.
- No parking on campus in areas designated as "restricted" parking areas. Posted signs or **YELLOW** marked parking stalls designate these areas.
- If your parking permit is lost or stolen, you must report the lost or stolen permit to the school resource officer as soon as possible. A \$10.00 fee will be assessed for lost permits.
- New vehicles or any additional vehicles driven must be listed on student's permit applications. All changes during the school year can be made through the school resource office.
- Students may lose their parking pass up to 30 days for any on campus traffic infraction.
- I have received and read a copy of the school's parking regulations.
- El Dorado High School is not responsible for any damages that may occur to your vehicle.**

All parking regulations are strictly enforced on and off the El Dorado High School campus by the Placentia Police Department. A violation of the parking rules and regulations could result in a parking citation being issued to the parked vehicle. Please fill out all sections below.
