Introducing: Debt-free degrees

Tuition's not a problem anymore.

If you've ever wanted to go to college, now's your chance! Thanks to Taco Bell's MY Education program, brought to you by Guild, all corporate team members now have the opportunity to enroll in select fully funded programs.

HERE'S WHAT YOU NEED TO KNOW:

- Taco Bell will cover 100% of tuition for select bachelor's degrees and college prep courses, along with the cost of required books and fees.
- Flexible, online programs allow you to work wherever (and whenever) is best for you.
- You'll work with a dedicated education coach every step of the way.

LET'S TALK ABOUT PROGRAMS

Here's the deal — there are 80+ programs to choose from, but we could only fit 10 on this flyer. Head over to tacobell.guildeducation.com to check out the rest.

- Business
- Cybersecurity
- Hospitality Management
- Software Development
- Marketing
- Finance
- Human resource management
- Accounting
- Communications
- Computer Science

None of those look appealing? We'll also cover up to \$5,250/year in tuition for 350+ programs; certificates; and associate, bachelor's, and master's degrees.
