## JOB WORKSHOP

Looking to apply for jobs or volunteer opportunities soon? Not sure where to start? High school students can learn how to create a resume, prepare for an interview, and much more at this workshop presented by our recreational staff. This workshop will feature a presentation as well as mock interviews to help teens prepare and feel comfortable about joining the workforce. If you are in grades 9th through 12th and would like to acquire more knowledge about applying for jobs and preparing for the interview process, this is the workshop for you!
