For credit card orders talk to your group leader or goto www.FundraisingWithHearts.com, click on the button that says "Online Sales & Heart Info," and make sure to

enter your Group & the Fundraiser's Names in the area provided in order to get credit for the sale. Remember, exact size of heart slightly varies as these are each one-of-a-kind creations (for approximate actual size, see "Custom" on other side of sheet). Every heart is handmade by our skilled glass & silver artists at the Handmade Hearts Gallery & Studio in Laguna Beach, CA. Incorporated into the wiring design of each heart is the shape of a lightning bolt. This is because lightning creates fire, and fire is used to create glass and purify silver. Then each heart is topped with a beautiful silver princess crown. All chains & wiring are made of high quality .925 Sterling Silver. This is heirloom quality wearable art.
