

# Make-A-Wish®

2023-24

Make A Wish Committee members Diane Chang (President), Emma Kim (VP), Cami Lung (Secretary), Thomas Wu (Treasurer) and Reese Morio (Historian), alongside EDHS students, staff, and the Golden Hawk community, raised **\$8,000** to grant another child's wish! This year, they surpassed their goal of \$7,500. Meet Alejandro, a 17 year old from Anaheim, with epilepsy. He was granted his wish to meet the Dallas Cowboys! He and his family were able to watch a game, get autographs, and best of all, meet his favorite players!

We are the only school in Southern California to raise over \$35,000 in the past 3 years! We've granted a total of 4 wishes thanks to the dedication of our students & community!

## El Dorado High School

Meet wish kid Alejandro, a 17-year-old from Anaheim, with epilepsy. Those who know Alejandro know that nobody loves the Dallas Cowboys more than him. While each member of Alejandro's family has a different favorite sports team, Alejandro has followed the Cowboys for years! When he isn't watching the Cowboys play, you can find Alejandro playing board games with his family or out playing handball with his friends. When it came time to think of his wish, Alejandro immediately knew he wanted. He wished to meet the Dallas Cowboys. Alejandro and his family were able to watch a game, get autographs, and, best of all, meet his favorite players! Thank you, El Dorado High School, for inspiring hope and joy to Alejandro and his family.
