Principal's Advisory Committee

Now in its second year, the **Principal Advisory Council (PAC)** was established by EDHS Principal Mr. Zides to ensure that **student voices are heard, valued, and represented**. The council consists of **28 students** who serve for the school year, sharing ideas, concerns, and feedback directly with the principal. Key insights are then shared with administration, department chairs, and faculty to help inform school decisions and improvements. PAC meets four times a year during lunch in the library, with members selected by staff leaders from various campus programs. Through this initiative, EDHS continues to foster student leadership and create opportunities for students to make a difference.
