Shoutouts!

Congratulations to our incredible **Academic Decathlon Team** on their performance at the annual Orange County Academic Decathlon (OCAD) competition. Our students competed across all ten events: Art, Economics, Essay, Interview, Literature, Mathematics, Music, Science, Social Science, and Speech earning an impressive **21 individual medals**. Additionally, Brian Arellano was a recipient of a \$1500 scholarship and Claire Ng earned the Student of Excellence Award! We are proud of our OCAD Team!

Program Highlight!

In our Education Pathway Program, we'd like to showcase our **Child Development Program**. It is a two-year program designed to prepare students for careers in education and child-related fields. Students explore how children grow and learn while gaining hands-on experience, including taking home lifelike Realityworks babies to simulate caring for an infant. In the capstone course, Principles of Teaching and Learning, students apply their knowledge by working as interns in classrooms at Brookhaven Elementary, gaining real-world teaching experience.

If you have any questions about this program, please email our Pathway teacher Mrs. Trujillo: atrujillo@pylusrd.org.
