Shoutouts!

Congrats to our **Science Olympiad Team** for competing at OC Regionals on Feb. 14th at UCI and placing 10th out of 32 schools! Science Olympiad is a national team-based science competition covering biology, chemistry, earth science, physics, and engineering. Participation fosters teamwork, problem-solving, and in-depth knowledge of scientific topics and offers opportunities for students to earn medals, trophies, and scholarships. This year, our team earned the most medals in program history in Boomilever, Electric Vehicle, Engineering CAD, Helicopter, and Astronomy. Great work to all of our amazing scientists!
