No Limits Learning - Looking for mentors from 6th grade - 12th grade. They do not need to have any creative art experience when helping in our program. We currently have 16 active classes in the Orange County area. Mentors would be paired up with a student and will hang out with them for the entirety of the class, helping them participate in different activities and building their social and motor skills. No Limits Creative Arts is also registered with the Presidential Volunteer Service Award and has had the honor of presenting this award to 2 of our mentors this past year.
