

Good Evening Freshman Golden Hawks,

This is your Principal, Mr. Zides, with a message regarding an important Freshman Only Parent Meeting. We **highly encourage** every freshman family to have a parent or guardian attend as this meeting will provide important information that will help set your student up for a successful start to their high school career here at El Dorado High School. **This presentation will be given by me and my administrative team.**

The meeting will take place on **Monday, August 24, in the Performing Arts Center (PAC) from 6pm-7pm.**

Due to limited seating, **only one parent or guardian may attend**, and **students should not attend** this meeting.

During the meeting, we will present our **"Keep It Classy"** presentation—the same presentation that will be shared with all freshman students during their English classes. Our goal is to ensure that parents and students receive the same information and have a shared understanding of our school's expectations and procedures. By hearing the same message, you'll be better equipped to have conversations with your student and reinforce these expectations throughout the school year.

At the conclusion of the presentation, we will have a question-and-answer session for those who would like to stay.

We appreciate your partnership and sincerely hope you'll join us on Monday, August 24 at 6pm in the PAC. Thank you, and have a great evening.

Mr. Zides-Principal EDHS
